Professional Summary

Aspiring Software Engineer and Frontend Developer with strong knowledge of Java, Data Structures and Algorithms, Object-Oriented Programming, HTML5, CSS3, JavaScript, Flask, MySQL, Git, and GitHub. Passionate about building responsive web applications, solving programming challenges, and continuously learning modern software development technologies. Seeking Software Engineering and Frontend Development opportunities where I can contribute technical skills while growing professionally.

Education

Parul University, Vadodara, Gujarat

2024 – 2028

Bachelor of Technology (B.Tech)

Artificial Intelligence & Data Science

CGPA: 7.19

Technical Skills

- **Programming Languages:** Java, JavaScript
- **Web Technologies:** HTML5, CSS3, JavaScript, Responsive Web Design
- **Frameworks:** Flask
- **Database:** MySQL
- **Core Computer Science:** Data Structures and Algorithms, Object-Oriented Programming (OOP), DBMS
- **Tools & Platforms:** Git, GitHub, GitHub Pages, Render, VS Code
- **Soft Skills:** Problem Solving, Teamwork, Communication, Quick Learning

Projects

Weather Application with User Authentication

- Developed a responsive weather forecasting web application using Flask and Weather API integration.
- Implemented secure user authentication with login and registration using MySQL.
- Displayed real-time weather information and 7-day weather forecasts.
- Designed a responsive user interface using HTML5, CSS3, and JavaScript.
- Deployed the application on Render and managed version control using Git and GitHub.
- **Tech Stack:** HTML5, CSS3, JavaScript, Python (Flask), MySQL, Git, GitHub
- **GitHub:** github.com/sainandhuresu/Weather-App
- **Live Demo:** weather-app-6ctp.onrender.com

Personal Portfolio Website

- Designed and developed a fully responsive personal portfolio website using HTML5, CSS3, and JavaScript.
- Built an interactive and mobile-friendly user interface with responsive navigation and smooth scrolling.
- Showcased projects, technical skills, education, certifications, and contact information in a professional layout.

- Integrated GitHub, LinkedIn, LeetCode, Resume Download, and Live Project links.
- Deployed the portfolio using GitHub Pages and maintained version control with Git and GitHub.
- **Tech Stack:** HTML5, CSS3, JavaScript, Git, GitHub Pages
- **GitHub:** github.com/sainandhuresu/Portfolio_Website
- **Live Demo:** sainandhuresu.github.io/Portfolio_Website

Internship

Full Stack Development Intern – Skill High

- Completed hands-on Full Stack Development training with practical web development projects.
- Developed responsive web applications using HTML5, CSS3, JavaScript, Flask, and MySQL.
- Worked with Git and GitHub for version control and collaborative development.
- Learned debugging, deployment, software development lifecycle, and industry best practices.

Certifications

- NPTEL – Computer Networks
- Full Stack Development Certification – Skill High
